

Toilet Accelerator Innovators Questionnaire On-line Form

We thank you for your interest in the **Toilet Accelerator**.

In order to understand more about you and your business we ask that you answer the following questions as your statement of interest and application to the Toilet Accelerator.

Applications that match the criteria for the Toilet Accelerator will be contacted for an interview.

1. Tell us about you, the founders of the business, and the management team
2. Tell us the story of your business idea and where you are currently operating (community, country, region)
3. Tell us about your sanitation innovation – how does it overcome current barriers to delivering sanitation to those without access or improved sanitation solutions
4. What part of the sanitation value chain does your business cover? (waste capture (toilet) – toilet facility (shelter/bathroom) – storage – collection (including transport) – waste treatment – waste reuse)
5. What is your aspirational product offering – why do people / customers want it?
6. What is your current stage of development? (R&D/Pilot/Sales/Growth/Scale)
7. What are your current challenges or most pressing barriers to commercial viability and scale? (Where the TBC & its membership of experts can help!)
8. What is your current investment need? (amount in Euro) by when?
9. What will this investment pay for?
10. What is your projected volume of sales / units post-investment? By when?

Please return to us by email to: secretariat@toiletboard.org.

We can't wait

**Delivering
sanitation at scale
requires innovative
sustainable &
resilient solutions**
