ABOUT SERVICIOS Y SOLUCIONES A&S

Founded in Honduras, in 2021, Servicios y Soluciones A&S provides septic tank emptying, sludge transport and treatment services. This innovation is cheaper and faster than building a new septic tank and does not take up land space.

176 Cubic meters
of wastewater
treated

SERVICIOS Y SOLUCIONES A&S'S 12 MONTH ACCELERATOR JOURNEY

Servicios y Soluciones A&S works to optimise costs to increase the ratio of monthly services to its customers.

Mentor

Mario Cuevas
KIMBERLY-CLARK

"I am convinced that the plan we developed together will contribute to generate more sales. Ingrid's knowledge of the area and the consumer have been key to achieving this. I was the one who learned here."

Entrepreneur

Ingrid Cortez
SERVICIOS Y SOLUCIONES A&S

"The experience with the Toilet Board Coalition Accelerator has been very beneficial for me and my business. I am pleased and grateful for the knowledge imparted by my mentors".
