

# Accelerator Impact Story

2024 Cohort

Operating in Sénégal

Toilet Marketplace

## ABOUT DELVIC

Founded in 2014, Delvic SI is dedicated to addressing the challenge of sludge management by providing sanitation solutions tailored to market needs. These solutions include the construction of toilets, sludge collection and transportation services, as well as sludge treatment and valorization in 10 treatment plants. The company collaborates with the private sector, governments, municipalities, and households
