

# WE ACCELERATE BUSINESS SOLUTIONS TO THE SANITATION CRISIS

Reach out to [info@toiletboard.org](mailto:info@toiletboard.org) to learn more.

The Toilet Board Coalition accelerates business solutions to the sanitation crisis through the sector's leading Accelerator for Sanitation Economy entrepreneurs serving low-income customers in Africa, Asia and Latin America.

The Coalition provides opportunities for corporates and funders. These tailored opportunities extend across regions, fostering collaboration and sustainable growth within the expanding Sanitation Economy.

## CORPORATE ENGAGEMENT

### WHY?

The Accelerator matches global business leaders and investors with innovative sanitation solutions and insights, facilitating vital partnerships, opening up new markets, and fuelling sustainable SDG 6 impact at the community level.

### HOW?

We invite select companies to join the Steering Committee, allowing businesses to lead their sector in a collaborative space, connect with industry leaders and shape the Toilet Board Coalition strategy.

As Members, corporates engage by:

- **Mentoring** entrepreneurs in the 12-month Accelerator programme
- Participating in regional and global events, driving collaboration and impact in their sector

## FUNDER ENGAGEMENT

### WHY?

Through catalytic grant funding, our model leverages private sector engagement to create lasting SDG 6 impact at the community level. Grants can scale market-driven solutions, ensuring impact continues long after the initial funding.

The billion-dollar Sanitation Economy presents a massive opportunity, and additional funding will allow us to continue to expand and accelerate change.

### HOW?

We provide opportunities for grants to fund the Toilet Board Coalition Accelerator, building on our proven model to scale impact globally.

As Funders, you can engage by:

- Connecting with the SMEs portfolio
- Participating in regional and global events, driving collaboration and impact in their sector

### LEAD

Gain access to a world-class network of experts and innovative entrepreneurs as you connect with industry leaders via **regional events**, fostering collective action.

### INSIGHTS & INNOVATION

Partner with disruptive entrepreneurs offering real-time market insights through the 12-month **Accelerator** by delivering corporate mentorship and expert business support.

### SDG 6 IMPACT

Fuel sustainable SDG6 impact on the ground, leaving a positive impact on communities worldwide and **position your brand at the forefront of impact stories**, elevating your profile as a business.
