ABOUT LA NIGÉRIENNE D'HYGIÈNE ET D'ASSAINISSEMENT (NHA)

NHA est l'entreprise pionnière dans les services de vidange au Niger, créée pour répondre à la demande croissante de vidange de fosses. L'entreprise est spécialisée dans la collecte et le transport de déchets liquides, le traitement et la valorisation des sous-produits de la collecte des déchets, ainsi que la fourniture de services de désinsectisation et de nettoyage. De plus, NHA exploite la seule station d'épuration des boues de vidange (FSTP) de Niamey.

NHA: 12 MONTH ACCELERATOR JOURNEY

Financial projections were developed for the company's four main business segments to refine our revenue forecasts and, importantly, to translate growth ambitions into coherent figures.

MENTOR

"The NHA has been privileged to receive support from the Coalition, a valuable contribution that we hope will help it successfully develop its faecal sludge collection and transport activities in Niamey and beyond."

Ibrahim Kimba

NHA

ENTREPRENEUR

"TBC helped me better understand the sanitation business and refine our approach to the sector. Thanks to the Accelerator, our company was able to connect with potential strategic partners."
